And Liaison

At South Bank Colleges, we're dedicated to presenting schools with a thorough overview of our diverse T-Levels, Apprenticeships, and BTECs. Our state-of-the-art facilities, featuring robotics labs and e-sports studios, aim to empower students for a seamless transition into post-16 education.

Here's how we can help:

Assemblies - Scheduled to fit your timeframe and adapted for each year group.

Year 7

- Orientation to SBC and FE College experience
 - Introduction to aspirational careers.

Year 8

- Introduction to SBC and FE College lifestyle
 - Introduction to career opportunities accessible through the college pathway.

Year 9

- Introduction to T-Levels, Apprenticeships and BTECs
 - Choosing the right options to help me reach your dream career

Year 10

- Investigating post-16 pathways: T-Levels, Apprenticeships, and BTECs at SBC
- Open events, admission criteria, and application timelines

Year 11

- Applying for SBC T-Levels, Apprenticeships, and BTECs
 - Exploring Degree Apprenticeships with the LSBU Education Group.

Sixth Form

- Accelerated Level 4 courses as alternative options
- Pursuing Degree Apprenticeships.

Parents Evenings

Having SBC represented at your parents' evenings provides an exciting opportunity for parents to gain valuable insights into the transition to college. We're thrilled to discuss our comprehensive offerings, including T-Levels, Apprenticeships, BTECs, and Level 4 courses. During our conversation, we'll delve into the application process and outline the exciting next steps for your academic journey.

Lunchtime/Break-time drop-in sessions

A presence from SBC in the lunch hall or library allows students to grab information and inquire about college courses, entry requirements, open events, and more.

Campus tours

We provide customized campus tours of both Nine Elms and Clapham for student groups interested in witnessing the college in action. These tours occur during regular college hours, offering students a firsthand experience of what it's like to study at SBC after school.

Taster Sessions

We organize frequent in-house taster days covering various subjects, aiming to provide students with a fulfilling experience and spark their interest for further study.

Application workshops

SBC runs application workshops, including an introductory session on how to navigate our website, an application demonstration and then tailored step-by-step guidance on how to apply, with time at the end for applications. This can be booked as a workshop session with groups of students, or as one-to-one drop-in sessions.
