

Lambeth College Gateway

Opportunities for Young People and Adults

Sharon Carnegie
Head of Lambeth College Gateway

What Do We Do?

14-24s

- Engage with young people who have missed the main enrolment dates
- Supporting young people who are not thriving in the mainstream school system
- Help young people to decide what it is they want to do with their lives
- Progress our young people into full-time courses or to other providers/opportunities

How Do We Do It?

Key Stage 4

- **School Links** – one day a week programme that give the young people a taste of college life and a start on their career pathway – includes Arts and Media, Sports, Business, Construction and Hair and Beauty
- **Full Time Alternative** - five days a week – subjects include, English, Maths, Science, Employability and a choice from the vocational options above

How Do We Do It?

Key Stage 4

- **Part Time** – Three days a week. Young person will get the opportunity to complete an Employability qualification along with doing one of the vocational options – this will now be available for year 10s, as well as, year 11s, starting in September 21

How Do We Do It?

16-19

The Lambeth Youth Hub is Where it All Starts

- **Kickstart Opportunities** – help with cover letters, updating CVs, interview practice and mentoring
- **New Direction** – support the reduction in youth violence with workshops that work on managing behaviours and responses to challenging situations

- **Step Forward** – working on overall employability skills with WEX where possible. Added English and math support and mental resilience
- **Sports** – full-time study programme with added English and math support and Citizenship
- **English and Maths** – stand-alone activities which can get you to where you need to be to take the exams needed to progress further on your journey
