ENGLISH AND MATHS

If you are aged 19 or over and looking to improve your English and maths skills to progress to further study, seek employment, advance your career, or just be more confident in your use of English and maths, then these courses are for you. There are six different levels of study, and you will have an initial assessment to make sure you start learning at the level that's right for you. The levels we offer are:

- Adult Entry 1 Functional Skills English/Maths
- Adult Entry 2 Functional Skills English/Maths
- Adult Entry 3 Functional Skills English/Maths
- Adult Level 1 Functional Skills English/Maths
- Adult Level 2 Functional Skills English/Maths
- Adult GCSE English/Maths

If you are 16 – 18 years old, we offer four different study programmes that focus on improving English, maths and employability skills.

ESOL

Learn English

We offer specialist ESOL (English for Speakers of Other Languages) courses for young people aged 16 – 18 and for adults aged 19 and over. Our courses enable learners to gain work and progress to further study with a strong record of success.

Whether you are permanently or temporarily living in the UK, here for work, or to study, our ESOL courses will improve your knowledge and skills in reading, writing, speaking, grammar and vocabulary, and listening. There are three entry levels: Level 1, Level 2 and Pre-entry for beginners, as well as preparation for IELTS (International English Language Testing System).

If you want to develop your maths, ICT and employability skills, we also deliver these courses especially for English language learners, delivered by ESOL teachers.

Teach English

For those who want a career in teaching ESOL or EFL (English as a Foreign language), we are pleased to offer our CELTA (Certificate in Teaching English to Speakers of Other Languages) teaching qualification course.

- Pre-Entry for Beginners
- Entry 1
- Entry 2
- Entry 3
- Level 1
- Level 2 (Adults 19+ only)
- Preparation for IELTS
- Certificate in Teaching English to Speakers of Other Languages (CELTA) – Level 5

SUPPORTED LEARNING

Our Entry Level Certificates are personalised to enhance independence and employability skills with a focus on developing self-confidence and key life-enhancing skills. We offer adapted facilities and resources, high quality industry and employer links, and a wide range of teaching and learning strategies tailored for individual needs. We want every student to realise and reach their full potential.

Students ready to enter employment can apply for one of two supported internships. One is delivered internally and the other externally by a host business. This year's employer is King's College Hospital NHS Foundation Trust. All new and potential students should have an Education, Health and Care (EHC) plan. Adult learners can study on our part-time English, maths and ICT courses. Our Entry Level 1 to 3 courses prepare students for independence and employment in a number of vocational areas and include:

- Art & Media
- Catering
- Digital Skills
- English
- Preparation for Employment
- Introduction to the Hospitality Industry
- Independent Living Skills
- ICT
- Life and Work Skills
- Progression for Life and Work
- Retail Enterprise
- Supported Internship
- Tasters for Progression
- Work and Construction Skills

SKILLS FOR 14-16s

GATEWAY

Our flexible 14 – 16 curriculum successfully prepares young people for college. The curriculum includes core subjects such as English and maths as well as courses that develop both personal and employability skills.

Our team works closely with schools, local authorities and partners to ensure that young people develop new skills, gain qualifications and grow in confidence as they overcome barriers and challenges that they face.

SKILLS FOR 16-18s

Our Level 1 skills programmes help you build confidence, improve your wellbeing, gain new skills and enhance your job prospects. We provide a high-quality and flexible curriculum for anyone wanting to reach the next stage of their learning process.

Our courses change throughout the year to meet needs. Courses may include:

- Health and Wellbeing - Sport & Active Leisure
- Preparing to Study
- Step Forward - Personal Development and Employability Skills

SKILLS FOR ADULTS

Our Level 1 programmes are specifically designed for JCP claimants to help build confidence, gain new skills, improve wellbeing and enhance employment prospects. Our goal is to support you into employment through inspirational life-long learning.

Our curriculum includes core subjects such as English and maths alongside a range of other subjects such as:

- Business Administration
- Construction Skills
- Digital Skills
- Employability
- English for Speakers of Other Languages (ESOL)
