

Gateway

Basic Skills for 16-18 year olds

At the Faculty of Gateway to Education & Employment, we recognise that life has its challenges - and we're here to support you every step of the way.

If you're motivated and have a willingness to learn, then our team of expert tutors - based in our excellent facilities - are here to teach and support you; and offer you a pathway to education and employment.

Our range of courses are designed to provide our students with the opportunity to re-integrate into education; gain valuable skills and qualifications; grow in confidence; and discover hidden talents.

We look forward to working with you.

Health & Wellbeing

Level 1 Award in Sport & Active Leisure

Duration: 1 year (Full-time)

This programme could be your key to success in the sports industry. Whether you want to train professionally, become a sports coach, or work as a sports therapist; this course can help you achieve your goals.

By taking this course, you'll:

- Map out your future career progression path
- Develop your career skills, and initiate links with major employers and universities
- Undertake learning-modules in health, nutrition, PE, leadership, wellbeing, and anatomy
- Develop your study skills, professional attitude, social media profile, and industry network
- Access enrichment activities such as basketball, football, and using our fully-equipped gym facilities

Preparing to Study

Level 1 Award in Preparing to Study

Duration: 6 weeks

This course is designed for young people who are unsure of what they want to do in the future, require personal and social skills development and want to put themselves at the forefront of opportunities for growth and development.

By taking this course, you'll:

- Begin your personal development journey
- Increase your employability prospects
- Expand your awareness of emotional resilience

Step Forward

Level 1 Award in Personal Development and Employability Skills

Duration: 1 year (3 days a week)

By taking this course, you'll:

- Develop study skills
- Build your confidence in maths and English, while working towards a nationally-recognised qualification
- Undertake a two-week work placement
- Plan suitable progression routes for your future
- Gain the practical skills and confidence needed to succeed on other College courses in the future
